

CHAIRMAN'S NEWS.

Happenings at and Near Our Close Neighbor.

Chaires, April 1.—In lieu of an Easter sermon Sunday we had a highly instructive Easter address by Professor Woodberry.

Our pastor, Rev. G. J. Kennelly, is enjoying a much needed vacation. The Methodist church Sunday morning was beautifully decorated with lilies and other flowers, and there was the prevailing spirit of Easter.

Mr. P. E. Bellinger, a former citizen of Chaires, but now one of J. H. Perkins' head clerks in Monticello, was here last week on a combined pleasure and business trip. He was accompanied by Miss Lucile.

Miss Evelyn Wooten was the guest of Mrs. Ormond Chaires Sunday. She returned to her school duties early Monday morning.

Miss Lilla Smith had to return home last week on account of sickness, but owing to Chaires' curative powers she is now much improved. Miss Lilla's friends are always glad to see her.

Mr. Bob Ferrell, of Woodville, is circulating among his friends this week.

Miss Loula Smith returned from a visit to Lloyd last Wednesday. She attended the supper given for the benefit of the M. E. church.

Mrs. Mills, of Lloyd, and sister, Mrs. Bishop, of Aucilla, were guests recently of their cousin, Mrs. L. C. Cox.

Mr. Alfred Fisher, of Tampa Heights, is visiting his brother, Mr. Robert Fisher.

Mr. E. C. Smith went over to Quincy Saturday on a visit to his son and daughter. He returned Sunday afternoon.

Deputy Sheriff Hopkins was out at Chaires last Friday on business connected with his office.

Mr. Tom Green Chaires came over Saturday afternoon and remained until Sunday morning with his sister, Mrs. Ormond Chaires. He left early to attend the Easter services at Springfield church near Lloyd.

Miss Ruby Smith spent several days last week very pleasantly with Miss Gussie Fisher.

Mrs. Snipes had ripe strawberries from her garden last week. They are of the early variety that grows so abundantly around Gainesville.

Mr. George Herndon was the guest of Mr. John Haire Sunday.

Mr. and Mrs. J. C. Boylston, accompanied by Master Josie and little Miss Maggie Lee, left on the 4:30 train Saturday morning for Jacksonville, returning Sunday afternoon. They had a delightful trip, meeting with old friends along the route, and were royally entertained by friends while in the metropolis.

Master Hunter Woodberry lost his pony Sunday night. Its death was caused from eating too much green grass.

Mrs. S. P. Chaires is the recipient of a valuable present from a friend of the family, Mr. Palmer, of South Carolina. It consists of a pair of beautiful Belgian hares.

We regret very much to learn of the illness of Centerville's highly respected citizen, Mr. Lyman Smith, and join with his host of friends in wishing him a speedy recovery.

Saturday afternoon a crowd of children went on a search for lilies and violets. They attempted to cross a deep ditch in Mr. Hancock's pasture, where Edna, the six-year-old daughter of Mr. Geo. Patterson, fell in. The ditch being full of water, she was soon immersed, and in all probability would have drowned had not Mary Woodberry rescued her.

Mr. and Mrs. Seaborn Jones, of Black Creek, passed through the village on Monday morning on a visit to Mrs. Jones' sister, Mrs. John Skipper. Mr. Jones is quite successful catching fish in the lake near here. Not long since he caught a fine string, having shot a large fish that had just caught another fish.

A large number of hickory logs are being hauled here from the surrounding country to be shipped to the Crane & McMahon lumber Co., at Jacksonville.

Mr. and Mrs. C. J. English, with their children, drove over to Chaires Sunday afternoon and spent several hours visiting friends.

Burglars entered the Methodist church Sunday night and stole a pair of large vases belonging to Miss Mamie Snipes, a pair belonging to Miss Clifford Patterson, and one each from Misses Mary Woodberry and Maud Snipes. The vases were taken to the church Saturday afternoon, filled with flowers for Easter decorations. As nothing else was stolen they must have been particularly fond of vases. Diligent search is being made for the guilty party or parties, and the young ladies hope to recover their vases.

SAYS HE WAS TORTURED. "I suffered such pains from corns I could hardly walk," writes H. Robinson, Hillsborough, Ills., "but Bucklen's Arnica Salve completely cured them." Beauty Triumphs,

'Tis a Priceless Treasure.

No woman objects to being beautiful. Beauty is woman's charm, joy, pride and strength. The world has always petted and adored beautiful women. A pretty woman dreads matrimony for fear of losing this power and influence over men. What can be done to perpetuate the race and keep women beautiful? There is a balm universally used by cultured and uncultured women in the crisis. Husbands will do well to investigate this remedy in order to reassure their wives on the point of ease with which children can be born and all beauty of form and figure retained.

Mother's Friend

Is the simple name by which this invaluable remedy is known. It will diminish all pain allied to motherhood. Used throughout pregnancy it will dispel morning sickness, cure sore breasts, make elastic all tendons and fibres called upon to hold in position the expanding burden. Muscles soften under its soothing influence and the patient anticipates favorably the issue, in the comfort thus derived.

Mother's Friend is a liniment for external application. Women's own pretty faces, and it is instantly absorbed and so lubricates the parts.

You may have it for \$1 per bottle.
